

NATURAL AMINOS LAB

BATCH TEST SUMMARY - RESEARCH GRADE

Internal catalog identifier	GLP-1R
Document purpose	This Natural Aminos Lab summary reproduces the analytical results documented in the underlying third-party test record for batch 7036G3C. The original source record is retained internally. This summary is not issued by, and does not replace, the testing laboratory's original report.

QUALITY STATUS	PURITY	ASSAY
PASS	99.44%	15.05 mg/vial

Sample and record details

Identifier	GLP-1R	Batch	7036G3C
Strength	15 mg/vial	Date tested	2026-07-03 17:36
Molecular formula	C ₂₂₁ H ₃₄₂ N ₄₆ O ₆₈	Retest	N/A
Molecular weight	~4731 g/mol	Storage	2-8 C; protect from light

Analytical results

Test	Specification	Reported result
Appearance	White lyophilized powder	White lyophilized powder
UHPLC-MS identification	Identity confirmed	Conforms to internal catalog identifier GLP-1R
Purity	>98%	99.44%
Net content	15 mg/vial	15.05 mg/vial
Overall quality	Meets reported analytical tests	PASS

Conclusion: The source record reports that batch 7036G3C met its stated identity, purity, appearance, and net-content specifications, with an overall quality status of PASS.
